

## **SIVE COURSE**

# **INTERNAL MEDICINE**

**CREMONA (ITALY) – PALAZZO TRECCHI**

**March 23-24, 2012**

### **SPEAKER**

**Thomas Divers DVM, DACVIM, DACVECC , Cornell University Ithaca NY (USA)**

Dr. Thomas Divers is a 1975 DVM graduate from the university of Georgia. He began his post DVM training by completing an internship at the university of California, followed by residency training in both ambulatory and internal medicine at the U. of Georgia. He remained on the faculty there teaching ambulatory and internal medicine for 2 years before accepting an assistant professorship at the university of Pennsylvania. There he spent 10 years becoming a full professor and head of the section of medicine. In 1990 he moved to Cornell university, where he is currently head of the section of medicine. Dr. Divers is a diplomate of both the American College of Veterinary Internal Medicine and American College of Veterinary Emergency and Critical Care. His equine interests are in any medical diseases of the horse and research projects have centered around neurologic and liver diseases of horses, critical care medicine, in addition to several infectious diseases.
